

University of the Third Age in Scotland
Scottish Charity No SC 030370

You are invited to :
U3A Scotland AGM and Technology event
26th June 2015 in Oban

U3A in Scotland is running their AGM which is to be preceded by a Technology themed talk and workshops. The day starts at with registration at 10:30 and Lunch will be provided.

Speaker on: **RITA (Responsive InTeractive Advocate)**

Finding a cost-effective means of supporting an aging population to live freely and independently is a challenge. The development of Responsive InTeractive Advocate (RITA) could revolutionise how an individual's personal, social, emotional and intellectual needs are understood and met, enabling and prolonging their ability to live as independently as possible. (An extract from their website)

There will also be workshops on :

U3A Websites, their use management and benefits

U3A Publicity, how you can use this to communicate with your members and make others in your locality aware of the benefit of their U3A

Virtual U3A, while not a new concept this workshop will bring you up-to-date with the latest facilities.

Possible workshop or discussion on MOOCs (Massive Open On-line Courses) to be confirmed

The workshops are an opportunity to exchange experience and expertise amongst members

AGM of U3A in Scotland

A separate agenda is enclosed for the AGM.

If you have any Motions to put to the meeting please send to the Secretary at least 6 weeks before the meeting.

RSVP: John Alexander, Secretary U3A in Scotland; email johnu3a58@gmail.com
